PROFESSIONAL SUMMARY

Motivated and adaptable Full Stack Developer with hands-on experience in modern web and mobile frameworks including React, Next.js, Flutter, Spring Boot, and FastAPI. Strong foundation in software engineering, cloud deployments (AWS, Cloudflare), and database management. Proven ability to build end-to-end applications from scratch, as demonstrated by developing a full-featured Restaurant POS & QR ordering system. Eager to leverage technical skills, problem-solving abilities, and business acumen to deliver robust and scalable software solutions.

TECHNICAL SKILLS

Frontend & Mobile	React 19, Next.js, TypeScript, Flutter, Tailwind CSS, TanStack Query, Radix / Shadcn UI
Backend & APIs	Java 21 / Spring Boot, FastAPI (Python), Node.js, PostgreSQL, Redis, RESTful APIs, Spring Security
Cloud & DevOps	Docker, AWS (EC2), Cloudflare Tunneling, Nginx, Flyway Migrations, CI/CD Pipelines
Soft Skills	Self-Directed Learning, Effective Communication, Trouble-Shooting, Critical Thinking

PROJECT EXPERIENCE

Restaurant POS & QR Ordering System — Personal Project

- Developed a guest menu feature allowing customers to scan a QR code mapped to a secure URL with a unique token.
- Built a comprehensive Menu Management system for Admins with full CRUD capabilities and photo upload functionality.
- Implemented Role-Based Access Control (RBAC) ensuring secure login and differentiated permissions for Admin, Cashier, and Chef accounts.
- Configured Cloudflare Tunneling to provide secure remote internet access to the locally hosted server without exposing raw router ports.

WORK EXPERIENCE

IT Support Intern — Acleda Bank | Jun 2026 – Present

- Handled daily IT helpdesk requests for teachers and staff, troubleshooting computers, projectors, keyboards, and microphones.
- Installed and configured Windows 11 across multiple workstations using bootable USB tools like Rufus and Ventoy.
- Assisted in setting up and testing physical network cables and configuring local connections for smooth file sharing.

EDUCATION

Acleda University of Business — Bachelor’s Degree in Financial & Technology — 2023 – Present

COMPETITIONS

University Venture Capital 2026 — 2026

- Advanced to the finals as a Top 6 Qualified Team.
